

A GUIDE TO RUNNING THE STRATA COMMITTEE OF THE OWNERS CORPORATION

The strata committee of the owner's corporation is a group which represents the lot owners.

It assists in administering the day-to-day running of the strata scheme and is elected at each Annual General Meeting (AGM). Once the strata committee is elected, the members of the committee decide who is to hold the officer bearers' position of Chairman, Secretary & Treasurer.

STRATA COMMITTEE MEETINGS

There is no legal requirement as to how often strata committee meetings must be held. The secretary may convene meetings as required or one-third of the strata committee members may ask the secretary to call a strata committee meeting and set a time for the meeting to be held. If the secretary is away, any other strata committee member may act in that capacity.

MEETING NOTICE

The Secretary must put a notice about the meeting on the noticeboard at least 3 days before a strata committee meeting is held. If the owner's corporation doesn't have a noticeboard, or if the scheme is a large (100 + Lots), the meeting notice must be given to each owner and strata committee member. The notice must have a detailed agenda.

OBJECTION AGENDA MOTIONS

Owners holding more than one-third of the total unit entitlements for the strata scheme can oppose any motion appearing on the agenda for a strata committee meeting. Written notice of the objection must be given to the Secretary of the strata committee before a decision on the motion is made. Any decision made by the strata committee on that matter will have no force or effect.

OWNERS' ATTENDANCE (WHO ARE NOT MEMBERS OF THE STRATA COMMITTEE)

An owner, or where the owner is a corporation the company nominee of the corporation, can attend strata committee meetings but they cannot speak at the meeting unless the strata committee agrees by majority vote.

ELECTION OF OFFICERS BEARERS

At the first meeting of Strata Committee the office bearers are elected. The three positions to be filled are Chairperson, Secretary and Treasurer. One member may hold more than one office.

CHAIRPERSON TO PRESIDE

If the Chairperson is present they must preside at all meetings of the strata committee or may be given to the managing agent to chair the meeting. If the Chairperson is away the strata committee must appoint another strata committee member to chair that meeting only. The Chairperson does not have a deciding vote.

MEETING QUORUM

The quorum for a meeting is at least half of the members who are

VOTING

Each strata committee member has one vote and must be financial to exercise this vote. If the strata committee member is not an Owner then the Owner that nominated them at the annual general meeting must be financial. The Chairperson does not have a casting vote under any circumstances. A decision on any motion at a strata committee meeting is made by a majority vote. A vote recorded as 50% in favor and 50% against results in the motion being lost.

The committee may also resolve to attend meetings by telephone or electronically. It is still necessary to issue an agenda and minute such meetings.

ADJOURNMENT OF MEETINGS

An strata committee meeting can be adjourned for any reason if a motion is passed at the meeting for the adjournment. Notice of when and where the adjourned meeting is to take place must be put on the noticeboard. If there is no noticeboard, a written notice must be given to each owner at least one day before the meeting.

NON-ATTENDANCE AT MEETINGS

A strata committee member can appoint another owner or company nominee, whether or not they are a member of the strata committee already, to vote for them at a strata committee meeting. This delegation must be approved by the strata committee.

VOTING IN WRITING

Unlike general meetings, the strata committee can vote in writing even though the meeting was not physically held. A notice of the meeting and copy of the agenda must be put on the notice board 3 days before the proposed meeting, or a copy of the notice and agenda given to each owner if there is no notice board.

Where a meeting is to be conducted in writing a notice and agenda must also be given to each strata committee member. A resolution approved in writing by the majority of strata committee members is valid even though an actual meeting was not held. These resolutions must be put in the minutes.

EFFECT OF DECISIONS

Any decision made by the strata committee is treated as a decision of the owner's corporation although there are some matters that the strata committee do not have the power to make (eg: raising levies). No individual strata committee member can make a decision for the owner's corporation. (Unless the strata committee is comprised of only one owner). In the event of a dispute between the owner's corporation and its strata committee, the decision of the owner's corporation prevails.

RESTRICTIONS

Any owner's corporation can limit the powers of its strata committee if it so desires. The restriction of powers is considered at the annual general meeting.

RESTRICTIONS OF DECISIONS (LEGAL EXPENSES)

A decision of the owners corporation is required before the strata committee may commence or obtain legal advice on behalf of the owners corporation, except where the anticipated costs is less than \$3000 or in the event of emergency where the limitation is \$15,000.

RESTRICTIONS OF DECISIONS (LARGE SCHEMES 100 + LOTS)

Unless authorised by resolution of the owner's corporation, the strata committee of large schemes cannot spend more than 10% above the budgeted item for any item, except in an emergency.

Specific emergencies include burst or blocked sewer pipes, serious fire or storm damage, electricity or security failures and serious glass breakages. A minimum of two quotes must also be obtained for works over \$30,000.

MINUTES OF MEETINGS

There are three ways the strata committee minutes can be made available:

- A copy can be given to each owner within seven days of the meeting, or
- A copy can be put on the noticeboard within seven days and must stay there for at least 14 days (but not if the scheme is a large one).
- Online portal

Where there is no noticeboard the strata committee must give a copy of the minutes to each owner within seven days.

VACATING POSITIONS ON THE STRATA COMMITTEE

Any member may resign from the Strata Committee at any time. This must be done in writing. The Owner's Corporation is required to fill any vacancy which occurs. The committee has the power to select the candidate.

If a member sells their property during the term of their appointment their position on the strata committee is automatically extinguished upon transfer of ownership

A member can only be removed from office by special resolution of the Owner Corporation at a general meeting (or by order of the Tribunal).
